

REMARKS

Applicants respectfully traverse this restriction.

The Groups I and II are all part of the same invention. The Examiner will not be overburdened by searching two classes. No public good will be served by issuing two US patents.

However, to advance the prosecution of this application, Applicant elects Group I, Claims 1,3 and 4 with traverse.

SUMMARY

Applicant argues three claims are in now in a form for allowance.

If additional fees are required for the filing of this document, the Commissioner for Patents is hereby authorized to charge or credit overpayment to the address below.

Respectfully submitted,
